

The 100,000 public and private sector employees represented by AFSCME Council 79 have endorsed the election of Lisa Lesperance for State Representative, District 117.

AFSCME members work for the State of Florida, state universities, cities, counties, school boards and hospitals. Lesperance is a former employee of the Clerk of Court in Miami-Dade County

"I am very pleased with this endorsement. I look forward to working closely with AFSCME in their 'green machine' grassroots efforts, which is one of Florida's best Get-Out-The-Vote Operations." "I truly believe that it is the power of the people and grassroots that will make a difference in this race," stated Lesperance.

This most recent endorsement is the latest in a string of endorsements for Lesperance. This month alone, Lesperance has received official support from Miami-Dade's classroom teachers; the working families of the Florida AFL-CIO and The Women's Campaign Forum, a nationally-recognized organization.

"We've been working very hard and backing up that work with a genuine passion that I think people can really see," Lesperance said. "It is time to put people above politics in Tallahassee."

District 117 is an open seat currently represented by term-limited Representative Julio Robaina.

Lesperance has no primary opposition and will face the Republican nominee on November 2, 2010.
